## Guild's "Cover Girl"

RUTH HUTMACHER's quilt, "Waves," is pictured on this year's AQS Paducah Show catalogue. Ruth's quilt, which won our Guild's Best of Show for Bed Quilts last year, is on the top row, second from right. Ruth's photo is below.

Presenter ROB APPELL talked about the evolution of his work at the April 9 Guild meeting.

Members were able to view Rob's quilts up-close.

Some of Rob's works. The three quilts on the right are from his "Endangered Species" series. Rob did a workshop on this the following day, April 10.

Rob cleverly stood on a chair to allow everyone to see better as he spoke.

Susan Cronenwett's niece Eva (center) completed her second quilt ever – what an eye for design. Susan is on the right and her sister, Anna, is on the left.

Ruth Hutmacher's niece is going to be delighted with her wedding quilt.

Dolores Thomas' soft minkee sheep will be a welcome addition to the Small Quilt Auction.

Right: Fran Whited donated her cute "Avocado" from a Helene Knott design to the Small Quilt Auction.
