by Patti Stephens

606

Quilted Home Accessories

Garden Runner

Entered by:

Patti Stephens

Quilted by: Patti Stephens

Pattern/Designer:

Scrappy Flower Garden

Comments: I tend to make only bed size quilts, so I wanted to challenge myself to make a small quilt. This was made to sit on an old inlaid sewing machine cabinet, so I wanted something primitive. I love to applique with wool, so this pattern was the perfect small project for me.

Please hold this paper to look at the back of the quilt.

Entrant chose this item to be judged?
Yes

HOME ACCESSORIES — Second Place

Silver Celebration
by Nan Scott
