## #10 String of Pearls

28" x 24"

The symbol for the 30 anniversary is pearl. If one looks up the number 30, it has various meanings such as dynamic, joyful, uplifting enthusiastic, optimistic, highly creative plus others. I thought these spoke to the members of this guild very well. Therefore, my String of Pearls.

## 30 – Yachats – 30

36" x 32"

Thirty is half way for me — wait— not in age but in Highway 101 miles.

I live in Yachats, Oregon. 30 miles to the north is our Guild meeting place on the north side of Newport. To get there, I travel through some lovely stretches of the coast lined with glowing pink rhododendrons and the coastal mountain range in the background.

30 miles to the south is one of my favorite scenic drives hugging the rocky coastline mountains complete with lots of throats to get up close with old growth hemlock, Sitka spruce and spreading cedars. The drive is punctuated with waterfalls — from splashing torrents to silvery drizzles depending on the time of year and recent rainfall.

Either way I go it is an eyeful that makes my heart sing.
