The Knotty Bag Ladies

Pam Grindell, Toni Brodie, and Jan McQueen show off the bags they made following a recent Knotty Ladies workshop.

Betty Wilson shared a cute little quilt that will be added to the small quilt auction at the Quilt Show.

K Fort showed this
Blue and White
Bargello made
from 2.5" strips.

Pat Laub has been making Unicorns for her granddaughter.

Pat Laub finished up a quilt kit that she bought at last year's quilt show.

Toni Brodie inherited these cat blocks from Ann Davis' stash. It took her several years, but we are sure Ann would be proud.

Fabulous: One of the many stunning quilts from Charisma Horton's trunk show.
