

General Policies

1. All items entered in the quilt show (except traveling exhibits) must be owned by the guild member and must not be framed with wood, metal, or any other material that makes the item rigid.
2. No more than one judged entry per member per category (before any post registration consolidation). Members are encouraged to select their best effort for judging.
3. Members may enter up to 5 entries in the show. Entries should be prioritized 1-5. Quilts by the Sea Themed Category, Guild Challenge, Youth Quilts, and any other guild exhibits do not count in the limit of 5.
4. A judged category for the bed or wall must have at least 5 entries. Categories may be combined starting at the lowest level (solo and ensemble). Large categories may be split according to size.
5. Judged entries will be limited to no more than 180 and assigned on a first-come-first-served basis. When that number is reached, all other entries are for display only.
6. Entry numbers within categories will be assigned by display gym – i.e. all categories in East Gym numbered 1001+; all in West Gym numbered 101+.
7. In Newsletter and Meetings, members will be apprised of target number of entries and where we stand with that goal.
8. Any quilts created in an organized guild activity such as challenges, round robin, or mystery will be registered and hung together in the show for display only. If the member wishes, they may be put in the show for judging the next year in the appropriate category.
9. Kit quilts (see definition below) must be identified on the registration form and then placed in the appropriate category. They may be eligible for 1st, 2nd, 3rd, or honorable mention ribbons but are not eligible for Best of Show. The judge will be told of the kit identification prior to awarding any Best of Show or Judge's Choice ribbons.
10. Any item not constructed or completed by a member such as Vintage/Antique quilts or raffle quilts will be for Display Only.
11. Items entered 'For Display Only' will be identified as such on the hang tag.
12. Items registered as being hand quilted will be identified with a gold medallion on the hang tag.
13. If a member chooses not to have an entry judged that otherwise could have been judged, that entry will not be eligible for judging in a later year. However, if the guild or committee chooses to remove certain groups from judging or if the judging limit is already met, the participant may choose to enter the entry for judging in a subsequent year.
