

Chemo Bags for Samaritan Pacific Communities Hospital

Bags are 5 1/2" x 5 1/2" or 6" x 6" with a 48" long strap.

I cut 2 pieces of bag fabric 6.5" x 12.5" one for lining and one for outside. The strap cut at 2" and seamed to make it 48.5" long. Used 1/4" seams. I put the Guild label on the inside.
