

Linda Ballard October 8 and 9 Meeting and Workshop...

Quilts I have Made Over the Years and Classes I've Taught

October 8, 2026, Day Meeting 1:00-3:00 PM

Being an avid seamstress all her life, Linda has taken her skills from dressmaking to creating wonderful traditional quilts using today's faster techniques and tools. She believes there's always something for everyone when it comes to quilting, and that quilters have a strong bond unlike anything else. She lives in northern CA outside Redding in a country community called Palo Cedro. Linda has been featured in a variety of quilting magazines with her quilts, her patterns and as 'ad' quilts for a specific line of fabrics. She's also had the privilege of being on Simply Quilts for two different seasons which means plenty of reruns. Linda will tell you constantly 'to be flexible and go with the possibilities that are presented'. See her website: www.letsquilt.com

"This is a fun program sharing quilts I've designed for classes as well as quilts I've done just for me. You'll see many sides of me through my quilts AND of course there's always a little 'class' given while I tell you stories about the quilts. I will bring 3 suitcases full of quilts for you to hopefully oohhhh and aaahhhh over."

Take Five Wall Hanging/Throw

Friday, October 9, 2026, 9:00-4:00, \$55

Based on a block called Union Square, I've devised a fun way to piece this traditional block. I'm offering this in two sizes..... wall and a throw, but easily could be adapted to a larger size quilt. The quilt consists of 4 fabrics, contains many speed methods, and of course template free. Workbook included. Skill Level: Beginner Plus to Advanced.

Linda always finishes with one simple word

ENJOY!

That's how it should be for all quilters.
